Operating Notes

- Course approval is separate from provider approval; the provider was already approved as Delaware Provider `500033126`.
- Public launch gate was opened in the 2026-06-26 changeset by moving all four Delaware slugs into `INDEXABLE_PUBLIC_STATE_SLUGS` and out of `RETIRED_PUBLIC_COURSE_ROOTS`.
- Production verification after deploy `dp1_4PXoJ9dpLazzxGBgPhzHaaZUa57v`: all four public URLs returned HTTP 200 and stayed on their own slug URLs on `https://www.nationalcourseportal.com/;/courses` listed all

four Delaware course cards.

- Verify SBS course expiration/renewal rules, offering setup, certificate language, and completion-reporting workflow before treating the operational checklist as complete.
