docs/national-expansion/application-paperwork/assembled-applications/georgia-oci-sircon-2026-05-29/instructor-approval-2026-06-21/GA_Instructor_Approval_3911815_Pearson_2026-06-21.pdf

Approval Facts Captured

Item	Identifier	Source
Georgia insurance CE/prelicensing provider	246049	Sircon/Pearson field sheet and filing records
Georgia approved instructor	3911815	Pearson instructor approval PDF, saved 2026-06-21

Public Boundary

- This evidence note is intentionally public-safe and excludes private application fields.
- The Georgia provider/instructor approvals do not mean every submitted Georgia course is approved.
- Georgia course reviews were still in separate Pearson/Sircon review and deficiency-response workflows as of the July 2026 handoff context.
- Do not represent Georgia courses as approved or open for enrollment unless a separate written course approval exists and the launch gate has been intentionally changed.
