Related same-thread/status evidence: Mark Barrera / PSI New Mexico CE processing replied `ALL DONE` in Gmail `19f00d128859ad62` after the signed NM State course applications were sent for transactions `2094316150` and `2995571257`.

Operational boundary: written course approvals are now on file for these two New Mexico LTC courses, but enrollment/payment/certificates/completion reporting remain closed until the New Mexico launch gate, certificate language, roster/reporting path, and SBS/provider offering setup are intentionally verified.
