Operating notes:

- Certificate corrections must be requested to PSI within 30 days of the certificate date if any information is wrong. The certificate spells the contact name as ANKUR FAIDA; decide whether to ask PSI to correct that before 2026-07-25.
- Course approvals are written evidence, but enrollment, payment, certificates, and completion reporting remain closed until the Ohio launch gate, renewal calendar, certificate language, and reporting/roster

workflow are intentionally verified.
