Operating Notes

- Course approval is separate from provider approval; the provider was already approved as South Carolina Provider 500033108.
- Approval emails say the approval period runs June 26, 2026 to June 26, 2029; renewal materials are tracked separately because South Carolina renewal timing was previously recorded as due 30 days before course expiration.
- The June 27 SBS notification copies list Change By: KNIGHTE and Notification Type: Course Approval for both approved courses.
- Public launch/enrollment/certificates/completion reporting were not changed in this evidence pass.
